X marks the spot and if you haven't already discovered, as I did recently, Mt Eliza is a treasure trove of some of the hottest fashion labels in town. You will find little jewels like the fresh and classic fine fashions of **Elle** (pictured left) which is renowned for styling ladies from sizes 8 to 18. With an air of distinction **Euro Collections** have a repertoire of the latest couture that defines what is happening on the international catwalk for followers of up to the minute fashion for all ages.

For amazing variety and over 20 labels Jose and his team at **Cliente** will give you the ultimate shopping experience stocking both female and male apparel for the chic at heart. **Serana Boutique** has unleashed an endless list of International and local designers (personally sourced by owner Jill) like Basler, Lucia, Olson, Gant and Gerry Webber to name only a few. Follow your instincts and enjoy putting one of these little jewels in your own crown.
