

VILLAGE LIFE

Mt Eliza

We love Mt Eliza for so many reasons - the bustling village atmosphere, beautiful cliff top views and proximity to the rest of the Mornington Peninsula, just to name a few.

Our shopping village is a popular destination for locals and visitors alike, with tree lined streets which are home to over 100 specialty boutiques and businesses offering everything from interior design to fine fashion and footwear, plus several great restaurants. Whether stopping for a coffee at the Mt Eliza Deli or enjoying fine dining at Verde, the village is a great place to eat, socialise, relax and even get the grocery shopping done.

Fashionistas have no shortage of choice with exquisite egyptian jewelry available at Gouzlan and a mix of Australian and European designer labels stocked at Cliente and Euro.

Keeping your crowning glory under control is easy with a little help from the Mt Eliza Hair Studio, while the Student Day Spa is one of our best kept secrets for top to toe pampering at a discount.

As locals, we're lucky to be able to take advantage of this great location and enjoy regular events such as the Christmas Fair – no wonder the visitors keep coming back too. *- Helen Jones*

Mt Eliza Dining

Eating out in Mt Eliza is a real pleasure especially in the Village which is endowed with so much choice. Lunchtime options are many and varied and range from cafes and delis to the fabulous CBs, Verde, Licciardo's and further afield the terrace at Morning Star Estate is a lovely escape in a delightful setting.

Verde has gone from strength to strength since opening and attracts a loyal local clientele as well as visitors from many different parts of Victoria. The menu is derived from modern Italian with an Asian influence, but head Chef Jacquelin Connon will often experiment with other cultural influences and seasonal produce.

"We offer a great range of daily specials of our blackboard as well as some interesting tapas. Verde is open 7 days a week for lunch and dinner and it is advisable to book in the evenings.

In May, the Women in the Workplace lunch was held at CB's in Mt Eliza.

Warm, cosy atmosphere, beautiful food and plenty of women, plenty of laughs with Guest Speakers Lisa Blundell and Michelle Hamer AKA Cate Kendall authors the well known novel Gucci Mamas and Versace Sisters. Lisa and Michelle discussed their successes in the writing industry, how they juggle 8 children between them, as well as handle husbands, how brainstorming became ideas, idea's into words and word's into 2 successful novel.

These ladies were not only knowledgeable and happy to share tips on business, there presentation was funny and entertaining bringing a new dimension to the lunch.

The lunches are always a great way to network with other ladies in business, and every speaker who present bring something different and informative to the lunch.
