

# at Mornington Race Course

What a fabulous day our 14th GoodLife Charity Lunch was. Held on the 2nd of June at Mornington Race Course, it was a day full of surprises.

As our June lunch last year, our charity was the Heart Foundation - Go Red for Women. Celebrating all things red Tully's donated Red Apples for each of our guests. We were also graced with the presence of a celebrity guest, friend of our fashion writer Annette Sanfillippo. Miss Universe Victoria and Peninsula girl Shirlene Lai joined us for the day. Dressed head to toe in red, her outfit was supplied by Euro Collections, hair designed by Zumay and fascinator by Annette. It would not be a fashion lunch without our famous fashion parade. Showcasing the great styles our boutiques have to offer, on one of the better catwalks, models strutted their stuff down the runway presenting fashions from Fiona's of Mornington, House of Bird, Beach Road, French Vanilla, Euro Collections & local designer Lisa Taranto. We had a breathtaking recital from PLOS, performing pieces from the musical Boy from Oz. The photos that are displayed on these pages were kindly taken by Studio Max in Mornington. Check out there website [www.studiomax.com.au](http://www.studiomax.com.au) for more snaps taken on the day.

Now for our thankyou's - with out the efforts from these people our lunches would not be the success they are today. Thankyou to Clare Maxfield our MC, to Megan from Mornington Race Course and the wonderful staff from Wise Choice, (the mud cake for dessert was especially divine). Our ladies and few gentlemen dug deep for our raffle and auction as did our generous donors, our advertisers. We thankyou again, your kind donations making the day a sensation as we raised nearly \$4000, which will go towards research into women's heart conditions.
