

September Career School Holiday Program

THE STUDIO HAIRDRESSING ACADEMY School Holiday Program has been specifically designed for students aged between 15 and 18 years of age who are interested in hairdressing. Our aim is to give these students a taste of the hairdressing industry while equipping them with some beginner's skills and knowledge required for personal grooming and if looking for an apprenticeship or casual job in a hairdressing salon.

The course cost is \$150 and will run during the September school holidays, Monday 21st and Tuesday 29th of September 2009.

Make up Fundamental Classes

Our dynamic make up classes cover fundamental techniques required for day, evening and vivacious fashion looks.

During your 5 week course you will cover techniques such as brush care and cleaning, communicating effectively with client's, colour wheel and colour correction, applying foundation and concealer, applying eye colour, lip definition and taking a day look to an evening look. At the completion of the course a Presentation evening will be held on Wednesday 14th October with models displaying creative make up designed by you!

The course cost \$370 includes a quality brush kit for you to keep and all other materials required in class.

Premier's Award Winners - Toorak College

On Tuesday 21 July Mr Noel Thomas (Principal) and members of the VCE teaching staff travelled to the Melbourne Convention Centre to be part of the celebration and ceremony for the annual Premier's Awards.

Only the Top 5 students in each VCE study receive a Premier's Award each year. Students not only need to have achieved the maximum subject score of 50 but also achieve a result that is in the Top 5 in the State.

This year Toorak College was represented at the Premier's by four very talented students from its Class of 2008:

- Ms Danielle McCartney (Food and Technology)
- Ms Kate Kelso (Art)
- Ms Olivia Townsend (Theatre Studies)
- Ms Stephanie Walravens (Design and Technology – Textiles)

The Ceremony was a fabulous celebration and reward for talented students from schools throughout Victoria. Toorak College is committed to Academic Enhancement for all students and very proud to congratulate these four students on their wonderful VCE achievements.
