

THE BOATHOUSE is currently running a special offer that's tailor made for these tough economic times, featuring three delicious courses for just \$33. 'We wanted to make it affordable for people to dine out' says Joseph – and they've certainly succeeded. At that price you really can treat yourself and best of all, no washing up afterwards!

Every Dad and Grandpa will enjoy a lovely lunch or dinner with their family on the first weekend in September. Kananook Creek Boathouse is also a great venue to hold your next function, whether it a birthday, Christmas function or wedding, this really is a beautiful spot with wonderful food.
